Module Title: The Developing World
Level: Four
Time Allowed: Two Hours

Instructions to students:
- Enter your student number not your name on all answer books.
- Answer three out of eight questions
- All questions are equally weighted.
Answer **three** out of **eight** questions.

1. Assess the view that the term ‘the developing world’ is no longer applicable.

2. Discuss the view that income per capita is the best measure of development.

3. ‘The population issue is an artificial issue that detracts attention from the real challenges that developing countries face’. Discuss this statement.

4. Assess the different views of development encountered in this module. Which one do you find the most convincing?

6. ‘Developing countries will benefit from the WTO Bali agreement’. Discuss.

7. Does Aid reach the countries that need it most? Assess with respect to the evidence covered in the module.

8. Assess the impact that Foreign Direct Investment (FDI) has on developing countries. Should FDI be encouraged by developing country governments?
